Dear Mr. and Mrs. Newman:

On behalf of both myself and State Representative Barbara Farrah, I would like to thank you for your generous donation to the Penrickton Center for Blind Children.

The donations you make, fundraisers you organize, and volunteer work you do all around Michigan are all highly commendable acts. I guarantee your good-natured efforts are appreciated by all of the many people you help every day. The five-day residential and daycare services provided by the center truly help make the lives of vision-impaired children and their families' every day lives much easier.

Again, thank you for your generosity and good-natured dedication to making your community a better place.

Sincerely,
